

Noah Raybuck

Alliance, Ohio

330-949-8828 | noahraybuck@outlook.com | github.com/Noah-Raybuck

Summary

Recent Computer Science graduate with hands-on experience in software development and data analysis. Skilled in Python, C++, SQL, and data visualization tools. Strong communicator and team player with a passion for building practical, user-focused solutions.

Technical Skills

Languages: Python, C++, Java, JavaScript, HTML/CSS, SQL

Tools: Excel, Tableau, Power BI, MongoDB, Postman

Platforms: AWS (basic), Git/GitHub

Certifications: BIDA (Business Intelligence & Data Analyst)

Leadership and Volunteering

Robotics Team Mentor Marlinton HS – Alliance, OH | December 2024 – Present

- Guided high school students in programming and engineering problem-solving.
- Helped develop logic for autonomous routines and mechanical strategy.

Owner – TCG Team

- Gained informal experience in leadership, team-building, and operations.

Education

B.S. in Computer Science – Software Engineering Specialty
Southern New Hampshire University,
Manchester, New Hampshire — 2024

Work Experience

Tennis Coach

Marlington HS – Alliance, OH | March 2021 – Present

- Developed leadership, organization, and communication skills under time-sensitive environments.

Projects

Tournament Web App

- Designed and developed a website for creating and managing tournament brackets.
- Uses HTML, CSS, JS, and backend logic to support player registration, match tracking, and score reporting.

Trading Card Sorter (In Progress)

- Building a robotic card sorter using Python, C++, and Arduino components.
- Integrates camera and software logic to categorize and sort cards based on user criteria.

GitHub Portfolio

- Multiple school-based software engineering projects, including Full-Stack and Software-Test-Automation-QA
- Consistently practiced version control, clean coding, and documentation.
